

# Addressing Animal Abuse and Human Violence

**NATIONAL LINK COALITION**  
*Working together to stop violence  
against people and animals*

<https://nationallinkcoalition.org/>

This multi-disciplinary collaborative initiative using an evidence-based approach serves as the US national resource center on the link between animal abuse and human violence. Visit the website for FAQs, resources and how to report suspected abuse per US state.

<https://www.aspc.org/>

As the animals' voice, the American Society for the Prevention of Cruelty to Animals works to protect animals from cruelty, pass US legislation for animal protection and provide resources for veterinary professionals on how to identify and report animal cruelty.

**Safe Place  
FOR PETS**

<https://safeplaceforpets.org/>

This resource provides an all-inclusive search directory for locating available resources for victims of domestic violence. All pages associated with site has a 'quick escape to google' button that erases browser history for protection of victim.

<https://redrover.org/>

Red Rover non-profit organization designed to assist animals in crisis and strengthen the human-animal bond through access to emergency resources, sheltering, disaster-relief, financial assistance and education.
