Diversify Veterinary Medicine Coalition

The Diversify Veterinary Medicine Coalition was established in 2020 to help meet the needs of members of the BIPOC community and other underrepresented groups who are interested in a veterinary medical education. The goal is to bolster them at each step in their educational journey – from youth to adulthood.

Multicultural Veterinary Medical Association

The MCVMA seeks to foster a community of veterinary professionals from diverse backgrounds and cultures to create a mutual support network for our members. Furthermore, our goal is to harness the collective knowledge of our members to address both our own needs and the needs of a modern, multicultural society.
